

LAKELAND, FL (January 3, 2014) – Each year, in lieu of Christmas cards, Bank of Central Florida allows each employee to donate \$100 to the local charity of their choice. This past Christmas, more than \$5,000 was raised in cash contributions in the name of each Bank of Central Florida employee to several local charities, including Volunteers in Service to the Elderly, Lighthouse Ministries, the American Cancer Society, and the SPCA. The efforts this year were organized by Robin Delgado and Gail Leonard. We are all very proud to work for a company that believes in giving back to the community.
